

**WFM UPDATED COVID-19 REGULAR SEASON
VENDOR RULES 2020
(Updated May, 2020)**

1. *New!* Cash Exchange is Now Permitted

We will now allow cash exchanges at the market, including change to be given. Please continue to keep an open container on your table for you and your customers to exchange cash. Please do not hand change to customer directly, as this would not adhere to the 6' social distancing.

2. *New!* On-Site Sales or Pre-Orders (Your Choice)

Vendors are permitted to conduct business according to what is felt is needed to best sell product while at the same time adhering to the COVID-19 CDC safety guidelines for your business and safety of your customers. Vendors may conduct business using their judgment, which includes allowing customers to make on-site purchases and select their own product. However, items must be pre-bundled or placed in pint, quart, etc containers. Weighing at the market should be avoided if at all possible.

3. Credit Cards

Please secure credit card device to your table and step back 6 feet while customer steps forward. Instruct customer to hold their card and device if needed, insert card, remove and wipe clean. Wipe down device in between customers.

5. Social Distancing

Maintain a safe distance of at least 6 feet apart from your customers at all times, stepping back as customers near your table.

6. Masks

All vendors must wear a mask while on market grounds. Please be sure mask covers your nose and mouth. If it tends to slip down, get a better mask.

7. Gloves

If you choose not to wear gloves, you must use hand sanitizer thoroughly after each transaction with a customer and in between tasks. If you choose to wear gloves, you must change to new gloves between changing tasks.

8. Hand Sanitizer

Vendors are required to have hand sanitizer for your use and customer use.

9. No sampling of product or preparing food on-site

Thank you for your cooperation. Please call with any questions or thoughts.
